She is eight-years old and she loves to write. She loves to write lists; like her favorite things and kids in her class. And she's writing her autobiography (That means it's all about me). Stella's favorite color is yellow and she LOVES fudge. As a matter of fact, there is a special fudge counter at her family's candy store because fudge is one of her favorite things to eat! But Stella has just one problem----her name. A boy from her class keeps calling her SMELLA after she trips on their class nature walk (I don't even want to say what I landed in, it was too gross, so I'm going to leave out that part In this early chapter book series, the ups and downs of Stella's life are charmingly chronicled.
