Completing every single one of these tasks in the highest of standards will move you further toward your end goal. Prove your dedication to your training to not only your Mistress/Master but also yourself. You will find a lot of these tasks push your limits but as a practicing sissy boi, that is incredibly important. Pushing your boundaries will prepare you for the next phase of your sissy training. Keep a progress report or photos when applicable for yourself and your Mistress/Master to go over at a later date. In these reports, you should note how you felt before the task, during completion of the task, and how you feel now that you have completed the task. All of this information will be combined and sorted. Your Mistress/ Master will then use this information to better decide where your training should proceed from here. They may decide that it is best for you to repeat several of these sissy tasks before moving onto the next chapter in your sissy transformation.
