In time for the motion picture event from the production team that brought us Heaven is for Real -starring Jennifer Garner and Queen Latifah- Miracles from Heaven is the inspiring true story of healing and family love. A remarkable memoir of faith, Miracles from Heaven is the true story of one little girl, her journey to heaven, and the astonishing recovery that followed. Annabel Beam spent most of her childhood in and out of hospitals with a rare and incurable digestive disorder that prevented her from living a normal, healthy life. One sunny day when she was able to go outside and play with her sisters, she fell three stories headfirst into an old, hollowed-out tree. Implausibly, she survived without a scratch. While unconscious inside the tree, with rescue workers struggling to get to her, she visited heaven. After being released from the hospital, she defied science and had inexplicably recovered from her chronic ailment. Includes photo insert, and discussion guide.
