

Cyber Styletto

By Mike Brennan

Paperback. Book Condition: New. Paperback. 126 pages. A malicious network attack on a traffic management system in California causes the deaths of eight innocent people. Yvonne Tran, a former black hat computer hacker and now part of a secret government agency called CyberCom, is called in to investigate. Her handler and former lover, Rohan Stokes, and executives at Network Systems, the company that made the computer server, have no idea how the system could have been commandeered so completely, or how many other critical systems have been infiltrated. Once, Yvonne had what seemed to be the perfect life: the daughter of a Russian diplomat and a woman from a prominent Vietnamese family, she was raised in privilege, and was sent to all the best schools. But abuse at the hands of her Russian kin drove her from the future her parents had charted for her. She turned inwards, to the world of computers and hacking. She made a spectacular living breaking into the online systems of companies and governments, and turned her exploits into luxury condos, cars and clothes until Stokes caught her. He would have had her sent to prison, but he fell in love with her, and made a deal...

I just started off reading this article publication. It is definitely simplistic but surprises in the 50 percent of your ebook. You are going to like how the author create this publication.
