Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.High Octane Adventure Stories by Top Gear magazine s Data Dad Ivan Berg. Three stories from the golden age of Motor Sport, the 1950s and 1960s. Full Throttle - Wonder mechanic Charlie tunes a vintage Bentley for his pal Pete and opens the door to motor racing adventure. Scorpion - The Story of a Racing Car - Against all odds, engineers Peter Russell and his business partner David Wilmer design and build a world-beating Formula One racing car. To Monte For A Million - A tale of a mischievous old uncle, an extraordinary will, a million pounds, two playboy nephews, two Morris Mini-Coopers - and the thrilling Monte Carlo Rally. These three stories were originally written and published as weekly serials in 1960 and 1961 in a comic-style magazine for boys called TV EXPRESS. I kept copies in an old cardboard suitcase that lived for 50 years in a dusty cupboard under the stairs. With three grandchildren, all boys, all of the ages of my long-ago readers, I thought it would be fun to see if the stories still had an appeal. They did. So here they are. Ivan Berg - October 2015 Front Cover Photograph courtesy of Bentley Motors - Brooklands Heritage Drive Photographer - Nick Dimbleby.
