

## Technical Support Essentials: Advice to Succeed in Technical Support (Paperback)

By Andrew Sanchez, Karen Sleeth

aPress, United States, 2009. Paperback. Book Condition: New. 1st ed.. 231 x 188 mm. Language: English . Brand New Book.

Technical Support Essentials is a book about the many facets of technical support. It attempts to provide a wide array of topics that you might want to learn. The topics range from good work habits to the way technical support groups establish their own style of work. This book applies theories, models, and concepts synthesized from existing research in other fields-such as management, economics, leadership, and psychology-and connects them to technical support. The goal is to build on the work of others and allow their success to evolve the profession. The book's broad perspective looks at proven practices, legal issues, dealing with customers, utilizing resources, and an array of other topics of interest to tech support professionals.
