Barron's Educational Series. Paperback / softback. Book Condition: new. BRAND NEW, Danny's Blog/Le Blog de Danny, Stephen Rabley, Martin Ursell, Marie-Therese Bougard, The interesting, illustrated bilingual stories in " Letas Read! " language-learning books are written for boys and girls who are independent readers in their own language. Titles in this series are available in both English-French and English-Spanish editions. While enjoying the original, varied, and exciting stories, young readers explore a second language, compare it with their own, and start out on a path toward fluency in their new language. Boys and girls soon discover that they don't need to learn every single new word that they encounter in the second language. As unfamiliar words reappear in the story as context, kids will pick up their meaning effortlessly, just as they pick up and understand new words in their own language. The parallel text, illustrations, and dialogue balloons on each page give kids a child-friendly bridge to reading and speaking in a second language. In this story, Danny lives in Borneo, where his Mom is the director of the orangutan reserve. He loves helping her and working with the animals, but the reserve is in danger. A lumber company hopes to take it over for commercial purposes as an action that will destroy the orangutan's environment. Danny decides it's up to him to do something about this new threat. With the help of his computer, he discovers how he can save the animal's habitat.
