

Preaching with a Plan: Sermon Strategies for Growing Mature Believers

By Scott M. Gibson

Baker Publishing Group. Paperback. Book Condition: new. BRAND NEW, Preaching with a Plan: Sermon Strategies for Growing Mature Believers, Scott M. Gibson, Every pastor wants the sermon to be an important tool for maturing those listening in the pews. Having a preaching plan is an essential part of this process. If a preacher's messages are scattered, unrelated to one another, or haphazardly prepared, it can be difficult for those in the congregation to make connections to aid their spiritual growth. Preaching with a Plan encourages and equips pastors to develop a cohesive preaching plan to guide their choice of Scripture, topics, and concepts on which to expound on Sunday mornings. It answers four critical questions for pastors, including: Who plans preaching? Why should I plan my preaching? What kinds of preaching plans are available? How do I put together a preaching plan? Moving quickly from theory to practice, Preaching with a Plan helps pastors develop an entire year's worth of sermons designed to educate, enrich, and nurture mature believers.
