This is important because many jazz favorites make heavy use of this chord progression and its variations. We are going to study this progression as you would likely encounter it in songs: --: iIm7(b5) - V7(b9) - i7 - i7: -- This is a practice tool for musicians who wish to improve their jazz improvisation skills. It is designed as a media set, and you will enjoy maximum benefit if you use both elements of the set: 1. Instructional book (this item), 2. Corresponding practice tracks, available from your favorite online music store.
