

Women Wage Earners (Paperback)

Filesize: 4.46 MB

Reviews

Simply no words to spell out. It can be rally fascinating throgh studying period of time. You will not really feel monotony at at any moment of your own time (that's what catalogues are for concerning if you ask me).

(Dr. Isabella Turner)

WOMEN WAGE EARNERS (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The one great question that today agitates the whole civilized world is an economic question. It is not the production but the distribution of wealth; in other words, the wages question, - the wages of men and women. Nowhere do we find any suggestion that capital and the landlord do not receive a quid pro quo. Instead, the whole labor world cries out that the capitalist and the landlord are enslaving the rest of the world, and absorbing the lion s share of the joint production. So long as it is a question of production only, there is perfect harmony. Both unite in agreeing that to produce as much as possible is for the interest of each. The conflict begins with distribution. It is no longer a war of one nation with another; it is internecine war, destroying the foundations of our own defences, and making enemies of those who should be brothers. It is impossible for even the most dispassionate or indifferent observer to blink these facts. Proclaim as we may that there is no antagonism between capital and labor, -that their interests are one, and that conditions and opportunities for the worker are always better and better, -practical thinkers and workers deny this conclusion. Wealth has enormously increased, in a far greater ratio than population. Does the laborer receive his due proportion of this increase? One must unhesitatingly answer no. In a country whose life began in the search for freedom, and which professes to give equal opportunity to all, more startling inequality exists than in any other in the civilized wor.
