

Ending Affirmative Action: The Case for Colorblind Justice

By Terry Eastland

Basic Books. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 8.6in. x 5.5in. x 0.7in. In the 1960s, we resolved as a nation never to judge people by the color of their skin. But today, race-based public policy has once again become the norm, this time under the banner of affirmative action. How, asks Terry Eastland, did such a turnabout take place, and how can we restore colorblind law in America today? In this compelling and powerful book, Eastland lays bare the absurdities and injustices of affirmative action, and presents the strongest case to date for doing away with race-based and gender-based preferences—a ringing call for all Americans to reclaim our nation's shared values of equal protection under the law, without reference to race, color, creed, gender, or national origin. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

Completely essential go through book. I actually have go through and i am sure that i am going to going to read yet again yet again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
