Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Many years ago a murder took place on New River at Mouth of Wilson, Virginia. The ferry operators body was found at Wilsons Dam and was never determined as to what happened to him. This was in 1947. I was able to solve the mystery as you will see in the book. This is a story of my life that winds in and out through the years and ends at a point in the book of the greatest love story that I could have ever imagined. How do we explain how we fall in love. I don t have the answer to that, but Nancy Gross captured my heart forever.
