If people did not fornicate there would be no birth control. Billions of women take risks with their reproductive abilities everyday by putting chemicals into their bodies so they can fornicate safely . If people did not fornicate there wouldn t be any abortions. Only when people fornicate do they have unwanted pregnancies and are forced to abort them. If people did not fornicate there wouldn t be any unplanned pregnancies. All children would be planned, wanted and loved. Fornication is responsible for the dark state of the world.
