Miracles are defined as God intervening in the natural laws that He Himself established to change events, circumstances, or peoples lives for His purpose and His glory. My book covers selected miracles where the Lord intervened in my life and my circumstances to alter its course. My life was full of brokenness, yet God broke through and poured healing into each part. In the pages of my book, you will catch a glimpse of my relationship with the Lord, including my prayer life. I am a witness of God doing the impossible as a result of a simple prayer and an unmovable faith in Him. - Patti Heiselman Since Patti's new birth experience, God set her apart as an intercessor.
