Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Our Country s Readers, Vol. 3 This, the Third Book of Our Country s Readers, is carefully graded to succeed the Second Book, both in the kind of material and in the language and form in which the material is presented. All of the kinds of reading introduced in the Second Book appear here, but with different stress; some of the features prominent in the Second Book are less so here, while some fields have been extended and developed. The Queen Bee and Why the Sea is Salt may be classed as fairy stories. The selection from Through the Looking Glass, though a modern story, is more charming and equally as irresponsible as the best of the classic fairy stories. Fables are more freely used here than in the preceding book. As to sources, some are from the Greek, some from legends, and one is from Andersen and one, from Mr. Harris. Sketches with an historical basis and setting are prominent and all are from the history of our own country. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
