In that time, Vice magazine s flagship column has changed from a couple guys in Brooklyn musing about pants to an international fashion juggernaut. With pictures sent in from thousands of contributors around the world and captions written by opinionated cranks around Vice s offices in New York and London, the DOs DON Ts now represent the most incisive and honest commentary on street fashion in the last million years of humans wearing clothes. This book collects the most exuberant DOs and lowliest, most stomach-turning DON Ts from the last three years of Vice magazine and , and presents them unto you in one tidy volume perfect for the cistern of your toilet or wherever else you keep your important reading material.
