

Rethinking Narcissism: The Bad-And Surprising Good-About Feeling Special

By Craig Malkin, Dr Craig Malkin

HarperCollins Publishers Inc. Hardback. Book Condition: new. BRAND NEW, Rethinking Narcissism: The Bad-And Surprising Good-About Feeling Special, Craig Malkin, Dr Craig Malkin, Are you a narcissist?"What is narcissism?" is one of the fastest-rising searches on Google, and articles on the topic routinely go viral. Yet the word "narcissism" seems to mean something different each time it's uttered. In fact, the more it's slung about, the more elusive its true meaning becomes. The only certainty, it would seem, is that it's "bad" to be a narcissist really bad. That's terrible news for millennials, who've been branded "the most narcissistic generation ever."In Rethinking Narcissism, Dr. Craig Malkin a Harvard Medical School Instructor and clinical psychologist with more than two decades of clinical experience offers a radically new model for understanding this often misused term. Narcissism, argues Dr. Malkin, is essentially a spectrum of self-importance and everyone falls somewhere on the scale between utter selflessness and total arrogance. When we casually invoke the term "narcissist," most of us are referring to the outer edge of the spectrum, which can shade into dangerous psychopathy. But there are also those who live at the lower end of the spectrum dubbed "echoists" by Dr. Malkin. These,...
