Best friends Hope and Laurie never made it to Hawaii during college years. But when they're about to turn forty, the islands still beckon, so they go - with an unexpected stowaway on board (Hope happens to be seven months pregnant). A little pineapple, a little sunshine, and a surprising little surfing give these two sisterchicks all their crazy hearts could hope for - and more - as they begin the next season of their lives with a splash and with a beautiful vision of what they dreamed up for them. Wherever there's chocolate, there's sure to be a sisterchick celebrating, and this trip to Hawaii is no exception. Best friends Hope and Laurie are on an audacious mission to commemorate their fortieth birthdays in style. With sailing, sushi and snorkeling--these two macadamia nuts from the mainland sample it all, unhindered by a surprise little stowaway.
