That is easier said than done as many of us seem to repeat the vicious circle of life that we grew up in and experienced, and it may be the only life one knows to live. But there is the Other Side of Heaven on Earth, and once you find true love, the unconditional love of God the father nothing is impossible. This is a biography of the trial and tribulations that allowed me to turn from a victim into a victor. I am a first-generation Australian born to Greek parents who migrated here in the 1960s. My father passed away, and my mother, who was deserted by family, raised her three children on her own. I in turn migrated back to Greece when I was eighteen years old for five years, only to end up returning back home to Australia with two kids in my arms and a broken marriage. The Other Side of Heaven on Earth is about a life transformation of an abused young girl from a migrant family who enters into womanhood only to become a battered wife. She ends up being abandoned with her two children, overcoming and conquering mental, emotional, and physical dysfunction by her own spiritual and supernatural experiences that lead her to true love and a destiny that surpassed her wildest imagination and dreams.
