Macmillan Education. Paperback. Book Condition: new. BRAND NEW, Worked Solutions for CSEC Examinations 2006-2010: Mathematics, Derek McMonagle, This is the perfect revision aid for Grade 10 and 11 secondary students who are studying for their CSEC examinations! This invaluable revision aid offers five sets of 60 multiple choice questions similar to those that will appear on the actual examination paper together with answers and comments about these questions. Each book also contains complete answers to the questions set on the June examination papers in that subject between the years 2006 and 2010. In addition to these answers, explanations are also given where appropriate so you don't just get the right answer but, more importantly, students can see how it has been worked out! There is also a chapter on how to revise, how to draw up a revision timetable as well as how best to approach the examination on the actual day. "The Worked Solutions series" should be used by students in collaboration with the corresponding CSEC past examination papers in each subject.
