

Early Modernism: Literature, Music, and Painting in Europe, 1900-1916

Filesize: 6.32 MB

Reviews

A brand new e book with an all new point of view. I have got read and i am sure that i am going to likely to read through once more once more in the future. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ms. Teagan Osinski III)

Oxford University Press, 1994. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: 'This new book offers a deeper analysis of how changes in artistic technique relate to shifts in thought.'Frances Spalding, Sunday Times'an outstandingly readable survey of writing, painting and music in Europe'Michael Horovitz, New Statesman & Society'a refreshingly generous and generally sensitive account of the early influences on, and the development of, the Modernist movement. . a serious book which deserves a wide and attentive readership.'Times Higher Education Supplement'an excellent guide for both staff and students engaged in "Modernism" courses . no university library should be without it.'Wyndham Lewis Annual. an invaluable companion to early 20th-century European history and essential reading for students of modernism and the debates of post-modernism.'Art Book Review Quarterly'. Butler's elegant exposition is a good place to start.'BBC Music Magazine. Oct 94'a learned, readable and wonderfully informative study of the origins, over 80 years ago,of the avant-garde culture that is now a social institution.'The Tablet, Books of the Year'a refreshingly generous and generally sensitive account of the early influences on, and the development of, the Modernist movement.'Times Higher Education Supplement'it is an excellent guide for both staff and students engaged in "Modernism" courses - and a useful corrective for those who think they understand what artistic modernism was .generously illustrated - especially so if the paperback price . is borne in mind: no university library should be without it . It is a measure of Christopher Butler's critical balance that he gives Lewis the painter . an important place in the British contribution to Europeanmodernism. Anyone interested in either modernism or the postmodern should read it.'Dennis Brown, Wyndham Lewis Annual'Notes December 1995'This is a much-needed book.It is to Christopher Butler's credit that he is admirably cautious in his respect...
