Overwhelmed: One Womans Journey with Breast Cancer

By Karen L. Norton

Tate Publishing & Enterprises. Paperback. Book Condition: New. Perfect Paperback. 136 pages. Dimensions: 8.1in. x 5.2in. x 0.4in. You have cancer. No one wants to hear those three words. Especially not twice. To say Karen Norton was Overwhelmed when she first heard she had breast cancer is an understatement. As a wife, a mom to two young girls, and a part-time music pastor supporting her family, she already had enough on her plate. But then came those three ominous words. After catching the cancer early and treatment with radiation and drugs, Karen went into remission, but it was not without a lot of physical pain. And then more devastating news: the cancer came back. This time, her doctors performed a double mastectomy to be sure there were no more cancerous cells. Karen thought she was in the clear. Then she began to have abdominal pain. A CAT scan showed possibly cancerous spots on her liver. After a painful biopsy, the results came back benign. No more cancer! But no more cancer didn't mean perfect health. God would continue to test Karen in other ways. Overwhelmed is a journey of one woman's life of health issues that seemed would never end. Would...

Reviews

It is one of my personal favorite publications. It is actually really fascinating through reading through period of time. It has been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, change the way in my opinion.

Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
