Tate Publishing Enterprises, United States, 2011. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Tony and Kiana walked for numerous blocks in silence. The stony silence practically screamed at them. Suddenly a blinding light flooded their vision from the front. They hadn't seen or heard a car approach. The rain had drowned out all noise. It must have been parked. Three bulky men climbed from the snazzy sports car. Tony sized up the situation in a flash. A streak of lightning followed by a clap of thunder rolled. These men had been waiting for them. The thought terrified Tony for a fleeting moment. Until now, he thought Nicky might have just run away. Now he wasn't so sure. These men were coming straight for them. After her parents' deaths, Kia feels like nothing in her life is right. She finds herself lashing out at her brothers who try to help her and rejecting the faith that should have held her together. Her self-destructive path is sharply interrupted when one night, while out for a walk, she and her brother are attacked. As the attackers beat her brother, she is shoved into the back of a mysterious car. Kia's family searches desperately for her, even as she struggles to figure out exactly what her kidnapper's motives really are and why one of them seems almost familiar. Kia may have disappeared Without a Trace, but she isn't lost to God. Will she find the strength to turn to him in what she fears may be her final moments?.
