

Investing in the Stock Market: Winning Approaches, Losing Approaches (Paperback)

Filesize: 7.22 MB

Reviews

This is the finest ebook i have got read through till now. It really is full of wisdom and knowledge You wont sense monotony at anytime of the time (that's what catalogs are for relating to in the event you ask me).

(Mr. Edison Roberts IV)

INVESTING IN THE STOCK MARKET: WINNING APPROACHES, LOSING APPROACHES (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Why has Warren Buffett become the most famous stock market investors of the twentieth century? Simply because he is one of the few who has known how to implement winning approaches during the course of his life, one after the other. Why do so many individuals who venture into the stock market believe that they are following a winning approach when they are actually implementing a losing approach? Going far beyond these kinds of misconceptions, this book will explain how to effectively invest in the stock market in order to be successful in the long term. The author shall discuss his tried and true methods, but shall also list and explain the reasons why these methods work, and why other methods don t. A highly valuable summary of information. Very few will read this book without taking something away from it. By reading it, you are investing in yourself with the intent of identifying and understanding the winning approach that you will follow during the course of your life. -Eric G. In this book, the selling process is discussed in equal detail. This is so infrequent that it is worth pointing out. -Jean-Philippe S. Finally! A book that covers more than just typical, trivial themes. Understanding the source of competitive advantages within companies was a bit of a revelation for me. -Florian C. After his first successful publication, Successfully Build and Manage your Equity, which dealt with the topic of managing equity in a broad sense of the term, Julien Delagrannanne now focuses on a very specific domain, stock market investments. By giving you a full overview of the approaches that work (and which are also the source...
