TEMPTING PROVIDENCE AND OTHER STORIES (PAPERBACK)

Hippocampus Press, United States, 2010. Paperback. Book Condition: New. New.. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Jonathan Thomas follows up the critical and popular success of his collection from 2008, *Midnight Call and Other Stories*, with this new and substantial volume of weird tales long and short. The title story is a marvelous evocation of Providence yesterday and today, with much for the ghost of H. P. Lovecraft to dislike in the way his city has evolved. Providence is the setting for several other tales—tales that introduce us to such anomalies as a Lord of the Animals who seems to have an inexplicable sympathy with our four-footed friends, and a man whose quest for an extremely rare psychedelic album leads to something much stranger . . . In these twelve stories, Thomas fulfills the promise of his earlier work and shows that he has become one of the leading figures in contemporary supernatural horror. Myth and archetype, as well as the influence of masters of the Gothic tale, seep in from the groundwater in Jonathan Thomas's world, but the landscape is wholly his own. The stories amuse, challenge, and unsettle. - From Sherry Austin's Foreword I found [*Tempting Providence*] by Jonathan Thomas unexpectedly charming (if it's permitted to describe a horror tale as charming), not least in its evocation of old Providence . . . It certainly brought back memories of my own wanderings around the city in the 60s, the same wistful daydreams his hero engages in, the sense that, if only HPL hadn't died so young, he might still be renting rooms in one of the neighborhood houses and enjoying a sundae or an evening stroll. - T. E. D. Klein.
