Atheneum Books for Young Readers, United Kingdom, 2013. Paperback. Book Condition: New. Iacopo Bruno (illustrator). Reprint. 192 x 130 mm. Language: English . Brand New Book. One new brother assembly required. A page-turner filled with fun, intrigue, and suspense ( Kirkus Reviews) from the author of The Last Invisible Boy. Matt Rambeau is officially a big brother to a robot! Matt s super-computer-genius dad is always getting cool tech stuff in the mail, but the latest box Matt opens contains the most impressive thing he s ever seen: a bionically modified lifeform that looks human and calls Matt brother (in French)! Norman turns out to be a bit of an attention hog and a showoff, but Matt s still psyched to have a robotic sibling even if he flirts with (ugh) girls. Then strange things start to happen. First a computer worm causes Norman to go berserk, and then odd men start showing up in unusual places. Matt soon realizes that someone is trying to steal the robot correction his brother! In this zany, action-packed story with spies, skateboards, and plenty of artificial intelligence, acclaimed author Evan Kuhlman gets to the heart (and motherboard) of one of the most special relationships known to man (or machine): brotherhood.
