## A FUTURE ARRIVED: A NOVEL

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, A Future Arrived: A Novel, Phillip Rock, Before "Downton Abbey", there was Abingdon Priory. The final installment of the saga of the Grevilles of Abingdon, beginning as the dizzy gaiety of the Jazz Age comes to a shattering end and concluding with German bombers coursing toward England. The theater of this books is the '30s, a decade of change and uncertainty, as all the old guidelines are swept away. "A Future Arrived" is a novel of the young, born during or just after "the war to end all wars". They grow to young adulthood as the inheritors of the hatred spawned by the Treaty of Versailles: Derek Ramsey, born only weeks after his father fell in France; the American writer, Martin Rilke, whose family roots in scandal entwine with those of the Stanmores, but who will conquer his questionable heritage by the worldwide fame that will soon come to him; the exquisitely beautiful Wood-Lacy twins, Jennifer and Victoria, and their passionate younger sister, Kate. In their heady youth and bittersweet growth to adulthood, they are the future-but the shadows that touched the lives of the generation before are destined to reach out to their own.
