Reviews

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.

GUYANA OPERATIONAL PLAN REPORT FY 2013 (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Since the first reported case of AIDS in Guyana in 1987, the HIV epidemic has been a significant threat to health and development in Guyana, with an estimated 6,200 adults and children living with HIV at the end of 2011. Guyana s HIV epidemic is categorized as a low level generalized epidemic. Statistics at the end of 2011 show HIV prevalence among the general population steadily decreasing, from 2.4 in 2004 to 1.1 in 2011. This equates to an estimated 5,900 adults living with HIV, a considerable burden for a population of less than one million. Similarly, prevalence among pregnant women decreased from 2.3 in 2004 to 1.0 at the end of 2011. Although general population prevalence may be low, surveillance data for key populations from both the 2005 and 2009 Biological and Behavioral (BBSS) studies reveals a concentrated epidemic among high-risk populations, including men who have sex with men (MSM) (21.2 , 2005; 19.4 , 2009) and female commercial sex workers (FCSWs) (26.6 , 2005; 16.6 , 2009). A 2011 surveillance study among members of the military revealed a low HIV prevalence (0.2), but the prevalence of other sexually transmitted infections (STIs) was significant (21.4). Similar to the trend in HIV prevalence, the percentage of deaths attributable to HIV/AIDS and the estimated number of new HIV infections have also declined. In 2009, 4.2 of all deaths in Guyana were attributable to HIV/AIDS, a reduction from 9.5 in 2002. New HIV infections were fewer than 1,000 in 2002, and in 2011 estimates projected the number of new infections to be fewer than 200. The rapid scale-up of the HIV response saw increases in the numbers tested,...
