Alphascript Publishing Feb 2010, 2010. Taschenbuch. Book Condition: Neu. 220x150x6 mm. Neuware - The 2008 2009 Zimbabwean political negotiations between the opposition Movement for Democratic Change (led by Morgan Tsvangirai), its small splinter group, the Movement for Democratic Change - Mutambara (led by Arthur Mutambara), and the ruling Zimbabwe African National Union Patriotic Front (led by Robert Mugabe) are intended to negotiate an end to the partisan violence and human rights violations in Zimbabwe and create a framework for a power-sharing executive government between the two parties. These negotiations followed the 2008 presidential election, in which Mugabe was controversially re-elected, as well as the 2008 parliamentary election, in which the MDC won a majority in the House of Assembly. Preliminary talks to set up conditions for official negotiations began between leading negotiators from both parties on July 10, and on July 22, the three party leaders met for the first time in Harare to express their support for a negotiated settlement of disputes arising out of the presidential and parliamentary elections. 108 pp. Englisch.
