The Testament of the Wicked (Paperback)

By Troy Usher

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Dreg Poet Troy Usher We are at war, at war with ourselves. Be it wrath, race or religion, we fear what we don t know. we become lost in the ideals of false prophets, the greed of corrupt governments and mass hysteria of misinformed media. All saying conform and concede or drink the kool-aid. Our thoughts have been fed to us, our speech taken from us and our sin used against us. All to fatten the wallets of the self proclaimed hierarchy. Let this be the time to be your own god. To worship your wants and desires. Voice your vehemence and not be vetoed or muted. Exalt the chaos knowing that it s your shelter in this ever revolving world. A world spinning out of control because society cannot accept unbalance. If there is dark there is light, good there is evil, rich there is poor and sanity there is lunacy. This is balance! And in these pages this is what I give to you.
