*It is one of my favorite pdfs. Yes, it is engaging, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*

The story of Enron is one that will reverberate in global financial and energy markets as well as in criminal and civil courts for years to come. Rife with all the elements of a classic thriller - scandal, dishonest accounting, personal greed, questionable campaign contributions, suicide - Enron captures the essence of a company...
