Tunisian Crochet Learn to Crochet 7 Different Tunisian Crochet Blankets Tunisian crochet looks more like a weave than crochet, but the technique is 100% crochet. Tunisian stitches work up quickly and create a beautiful texture with a tight weave that is perfect for cold weather warmth. The 10 blankets in this book use several Tunisian stitches and techniques and the patterns are unique. Blankets are a great gift for any occasion and these 10 patterns will give you more than enough choices to satisfy you and those you give them too. Tunisian crochet requires basic knowledge of crochet techniques; the stitches are different than traditional crochet but the techniques used to create them are the same. Each pattern is given in a traditional text with standard crochet abbreviations. A crochet abbreviation table is provided for beginners and intermediates. This book is perfect for learning as well as adding to your blanket repertoire. Use the abbreviations table as you work each blanket from the pattern and you will be able to create beautiful heirloom quality Tunisian blankets for your home in no time. This book provides a crochet table with abbreviations and the directions for each stitch. Each blanket pattern is written in standard crochet abbreviation, making it easy to follow for beginners and intermediate crocheters. Tunisian crochet is explained and demonstrated using easy to understand instructions and clear easy to see images of each stitch.
