

Persians and Other Plays

Filesize: 8.44 MB

Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Persians and Other Plays, Aeschylus, Christopher Collard, Aeschylus is the first of the great Greek playwrights, and the four plays in this volume demonstrate the remarkable range of Greek tragedy. Persians is the only surviving tragedy to draw on contemporary history, the Greeks' extraordinary victory over Persia in 480 BC. The Persians' aggression is inhuman in scale, and offends the gods, but while celebrating the Greek triumph, Aeschylus also portrays the shock of the defeated with some compassion. In Seven Against Thebes a royal family is cursed with self-destruction, in a remorseless tragedy that anticipates the grandeur of the later Oresteia. Suppliants portrays the wretched plight of the daughters of Danaus, fleeing from enforced marriage; as refugees they seek protection, and must plead a moral and political case to gain it. And in Prometheus Bound, Prometheus is relentlessly persecuted by Zeus for benefitting mankind in defiance of the god. Christopher Collard's highly readable new translation is accompanied by an introduction that sets the plays in their original context, and together with the notes considers theatrical and poetic issues, as well as details of content and language. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
