For security, Captain Rob asks his troops to make the ultimate sacrifice: changing their spawn points to the capital city. Will they? Survivalists Frida and Turner have always kept their spawn points secret. Strategist Jools doesn t want to die--ever again. Adventurer Stormie has changed her spawn point so many times that she can t remember how she began playing the game. Even the intrepid captain doesn t want to risk rebirth far from the ocean that brought him into this world .or how will he ever get back home? If the troopers won t agree to transplant, they ll never be able to respawn at their battle stations with any certainty. Letting go of their origins might be the only way they can continue their...
