Primedia E-Launch LLC. Paperback. Book Condition: New. Paperback. 44 pages. Dimensions: 8.0in. x 5.0in. x 0.1in. Ground Breaking New Book by Political Analyst and Noted Author Earl Ofari Hutchinson Examines the Nations Hot Button Political Issues in Spanish The First Book by an African-American Author Written Completely in Spanish for Spanish Language Readers Political analyst and noted author Earl Ofari Hutchinsons landmark new book Political Los Pensamientos de las Polticas Controversiales (thoughts on controversial political issues) is a wide ranging, hard hitting book that tackles the hot button political issues that have torn the nation. The topics include abortion, relations with Cuba, the GOP and President Obama, the health care battles, the myths about Nelson Mandela, the turmoil in the Catholic Church, and the fight over Gay Marriage. The book sends many messages about language and politics, says Hutchinson, But most importantly my aim is to enrich the social and political literary life of the nation through the adept use of Spanish by an American writer. He escrito diez libros en ingls de temas diversos. Todos han sido escritos en ingls. Principalmente, han sido acerca de temas polticos, sociales, y especialmente sobre racismo. The book is groundbreaking in one more sense. It is the first work by an African-American writer on controversial political and social issues written by the author and published purely in Spanish. The author wanted this book to be a bridge between Spanish speaking readers concerned about the compelling political issues in the United States and beyond and English language American authors. No deseo que, Los Pensamientos de las Polticas Con-troversiales sea ledo y discutido solamente entre los hispanos a los que les gustan las ideas polticas. Al final, quiero que el libro represente una inspiracin para que ot-ros negros escriban, lean y discutan los temas controver-siales con...
