

The Porcupine's Quill Reader

Filesize: 4.85 MB

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Aliya Franecki)

THE PORCUPINE'S QUILL READER

Erin, Ontario, Canada: Porcupines Quill, 1996. Soft cover. Book Condition: New. 1st Edition. Original printed wraps. 224 pp. Octavo. The Porcupin's Quill Reader celebrates and promotes the work of a small publishing house in the village of Erin, Ontario. The fact that authors published here have had four Governor General Award nominations in four years suggest that editor John Metcalf and publisher Tim Inkster must be doing something right. The Reader contains 20 short stories and assorted gossipy anecdotes and photographs of the authors giving readings and socializing. (And yes, this creates a feeling of being the voyeur at the family picnic, and yes, you might wonder why you would want to be a voyeur there of all places.) Inkster has long been known for quality book design and treats readers to brief arcane chats about typeface selection and paper size. Interesting if you like knowing why some books look and feel so much better than others, easy to skip if you don't. Printed offset by Tim Inkster on the Heidelberg KORD at the printing office of the Porcupine's Quill in the Village of Erin, Wellington County, Ontario, Canada. Smyth sewn into 16-page signatures.
