### ***Reviews***

*It is one of my personal favorite books. It is one of the most incredible ebooks I have ever gone through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).  
(Giuseppe Mills)*

## ARCHITECTURE CHOICE OR FATE

Papadakis. Paperback. Book Condition: new. BRAND NEW, Architecture Choice or Fate, Leon Krier, Leon Krier, theorist and reformer of modern traditional architecture and urbanism reveals in this layman's manifesto why, in matters of democracy, architecture is far behind politics. The fact that modernism has never been a popular choice is not, according to Krier, due to people's ignorance but to modernism's own conceptual poverty. This polemic is essential reading for anyone concerned with architecture and urban planning today. It will be a vital tool in the renaissance of the art of building cities that are pleasant and agreeable to live in, an art that we are in danger of losing.
